MEMORANDUM FOR: Mr. Wolf

26 September 1952

- 1. Western European country programs, other than those attached, were considered by PRC prior to Mr. Dulles' absence and approval recommended. These were scheduled for consideration, Friday 26 Sept. 1952. Since Mr. Wisner and I were the only PRC members present, we asked the Director whether we should proceed. His decision was that we should not. The Director also said that he personally would like to sit in on these country programs and would consider these three at a regular PRC meeting to be held at 10:30, Monday morning, 29 Sept. 1952.
- 2. In addition there is one other project "Trade Between the Free World and the Soviet Bloc" which was scheduled for presentation today and which presumably will come up Monday.
